

# 2018 Suzanne Winsor Freeman Memorial Student Genealogy Grant

**The Suzanne Winsor Freeman Memorial Student Genealogy Fund** was established to honor Suzanne's Freeman's lifetime of service to young people and to assist young genealogists seeking to advance their genealogical education.

Suzanne Freeman was a life-long volunteer who worked with many youth organizations in the capacity of leader, organizer, and administrator. Born in Olathe, Kansas, Suzanne moved to Orange County, California with her family in the early 1930s where she attended school and lived most of her life. She developed a strong interest in family history sparked by the stories of her mother's early life in Colorado and Kansas.

After retirement Suzanne moved to Green Valley, Arizona where she was active in the local genealogy society. She enjoyed returning to Southern California each year in June to attend the Southern California Genealogical Society Jamboree. At the time of her death in Tucson, Arizona August 28, 2010, Suzanne was searching for elusive Winsor cousins and adding more stories to her family history.

The \$500 cash award pays tribute to these interests by awarding the annual cash grant to a young genealogist attending the SCGS Jamboree. In addition, a complimentary three-day conference registration to the Southern California Genealogical Society Jamboree will be provided by Jamboree.
